JUNE 2018 NEWSLETTER

Important Calendar Dates

BEACH KINDY

Thursday 5th July

GOVERNING COUNCIL

Thursday, June 28 at 7.00 pm

SCHOOL VISITS

Wednesday, June 27, Thursday group -TBC

LAST DAY of TERM 1

Thursday, 5 July

FIRST DAY of TERM 3

Monday, 23 July

Term 2 Project

We have continued with the "Comparing our World" Inquiry Project. Please see the documentation of the small group learning, that is displayed on the ledge above the name card wall.

Family Night

Thank you to families that attended and contributed food and feedback at the Family Night on May 30.

We had a family comment that some items were stolen from their car on this night. Please be vigilant, as these incidents unfortunately occur on occasions.

Attendance

Please report absences on the number provided below. We encourage consistent attendance, to support children in learning about the importance of developing positive habits for life. On occasions when children are unwell, have appointments, or for family holidays, kindly **notify us on 82481353**

Staffing

After a tenuous start to the year, we have a stable staff team. A series of unavoidable circumstances, out of our control, resulted in a very unsettled time. We apologise for the confusion and inconsistency.

SCHOOL VISITS

School visits originally scheduled for June 13 and 14 were postponed due to inclement weather. The Wednesday group has been rescheduled

for June 27 (instead of the beach visit). The Thursday group is in the process of being rescheduled.

Fees

Please note that receipts are provided for EFTPOS payments ONLY. Our Finance Officer notes online payments, and these are reconciled against accounts as they occur.

The account details for direct deposit will be available at the top of each newsletter (in the box) and are as follows:

BSB: 065 123 **Account Number:** 10004145

Sun Protection

During Term 3, children will continue to require hats and sunscreen on the days that the UV Index exceeds 3.

Survey Monkey

Thank you to families who responded to the Term 1 survey, it is greatly appreciated. All feedback was shared with educators at our most recent staff meeting. Based on this feedback and staff discussion, we have streamlined our end of day procedures with regard to incident reporting and end of session conversations with families. We have also considered ways that we may be able to adopt applications such as **Skoolbag** in the future. We will continue to review the introduction of applications such as these and other IT tools, as a part of our ongoing reflective practice.

Beach Clean

We encourage sustainable practices and in alignment with this, we would like to support organisations that manage clean up events. Please see below if you would like to contribute at these events.

BEACH CLEAN – external organisations

Henley Beach – Sunday, June 24 10am-12pm

Semaphore – Sunday, August 5 9am-11am

CAFHS

If your child has not had an appointment with a CAFHS nurse, there will be further opportunities in Terms 3 and 4.

Drinks for Kindy

As per the Nutrition Policy provided in the enrolment pack, we encourage the provision of water for drinking. Packaged drinks such as juices and flavoured milks impact health and the environment.

Four Key Skills to Lead the Future
