### **Lost Property**

We have an array of lost property accumulating. Please check the Lost Property box regularly. Items in this box are unnamed; those that are named are returned to their owners as quickly as possible. Please label all property to enable items to be returned to your family.

### **Preschool Survey**

The annual Preschool Survey has a **revised due date**. The response is due by **Friday, September 21**. Thank you to the ten families that have responded to date. We rely on all feedback to enable us to critically reflect on our practice, so that we are responsive to families and community.

### **Parent Direct Catalogues**

Parent Direct Catalogues are now available. Purchases can be made online and part proceeds of each purchase contribute to resources for the Kindergarten.

### **Collaboration and Learning Together**

Thank you very much to Kate, who held very engaging yoga sessions on September 11 and 19. The children provided wonderful feedback about the experience. There is another session on Thursday, September 27.

In line with The Education Department's policies, we promote healthy food and encourage the provision of nutritious, unpackaged food.

Thank you,

Connie, Chrissy, Janet, Louise, Lynley, Courtney
